Our thought for today is from Psalm 19: “The commandment of the Lord gives light to the eyes.”

Let us pray. Father, thank You for setting into motion a promise that would be a blessing for all people. Help these Your children as they thrive to be good citizens of our State and Nation. Make us grateful for those who protect and defend our Nation and State. Guide these Representatives and Staff to do the right thing for the right reason. Bless and keep our World, Nation, President, State, Governor, Speaker, Staff, and all who labor in this vineyard. Bestow Your blessings on our Armed Forces and especially for those in harm’s way. Keep in Your love and care for our men and women who suffer from hidden wounds. Lord, in Your mercy, hear our prayers. Amen.

Pursuant to Rule 6.3, the House of Representatives was led in the Pledge of Allegiance to the Flag of the United States of America by the *SPEAKER PRO TEMPORE*.

After corrections to the Journal of the proceedings of yesterday, the *SPEAKER PRO TEMPORE* ordered it confirmed.

Speaker G.M. SMITH stated that Rule 5.3.B was adopted in 2022 and that he was bound by the precedents from 2023. He said that the rule had been changed in 2022 to require that the principal, chief, or primary effect of an amendment to the annual general appropriations bill must be directly related to the appropriation of funds or the raising of revenue or be a rule, directive, or regulation directly related to the appropriation of funds or raising revenue. He stated that he had to look for the principal purpose or intent of the amendment. The Speaker stated further that it was his view that the amendment was drafted to effect what entities would receive funds for purposes of family planning. He stated that he was overruling the Point of Order.

Rep. HEWITT spoke against the amendment.
